Maxwell Conway

(561) 654-6926

Software Developer   *Location*: Atlanta, GA (Open to relocation or remote)

Email: maxconway23@gmail.com   *LinkedIn*: https://www.linkedin.com/in/maxwell-conway-200x/

Github: https://github.com/MaxwellConway   *Portfolio Website*: https://maxwellconway.github.io/

SUMMARY

Systemic thinking is important to me as a developer and I like to understand how things function within a greater structure. As I learn and acquire new skills, I prefer to gain a full understanding of how I can apply these skills in different contexts. I am detail-oriented, organized, and always looking for newer and faster solutions.

SKILLS

JavaScript	React	HTML	CSS	Python
Node.js	Express	PostgreSQL	Supabase	Sequelize

EDUCATION

Software Development Bootcamp, Full-Time

DigitalCrafts | Atlanta, GA   *08/2023*
